

## Insurance Coverage

Orthotic & Prosthetic Specialties, Inc. is in-network with most major insurance companies, including Aetna, Blue Cross/Blue Shield, Medical Mutual, United Healthcare, etc. We are also in-network with Medicare and Ohio Medicaid, including Advantage and MyCare Plans, as well as Medicaid HMOs. In addition, we are also a BCMH authorized provider and Ohio Bureau of Workers' Compensation approved provider.

Some specific insurance plans that we are "out-of-network" include the Cleveland Clinic employee health plan. However, if you have a Medicaid or BCMH plan secondary we can see you.

## Financial Responsibility

We strive to provide our services in a fiscally responsible manner with regards to patients and insurance payers. However, as a patient you are ultimately responsible for any applicable deductibles and co-insurance payments. You are also responsible for confirming that our office is in-network with your insurance plan. We try to provide accurate estimates of your potential financial responsibility. Please understand that sometimes the information we receive from your insurance company is not up-to-date.
